## **Can You Name a Famous Artist With a Disability?**

**Great Hollow Middle School, winners of the 2015 Trivia Challenge**

**Hauppauge, NY (February 26, 2016)-** Long Island students will compete in UCP Suffolk's Trivia Challenge Finals, sponsored by Astoria Bank, to raise money for people with disabilities. The event will take place on Wednesday, March 2, 2016 at The Children's Center at UCP Suffolk.

The Trivia Challenge test has been designed for each level of education and will feature an array of topics including social studies, mathematics, current events, health and science, literature, geography, entertainment, and sports. Students can compete in

teams of four or individually and will earn prizes based on individual fundraising efforts. The competition is divided into three divisions: Elementary (4th & 5th grade), Middle School (6th, 7th & 8th grade), and Senior High (9th, 10th, 11th & 12th grade).

Students ask family and friends to sponsor them with a donation to UCP of Suffolk based upon the anticipated number of correct answers they hope to achieve, in advance of our academic challenge.

For more information on The Trivia Challenge and how you can bring this fun event to your child's school, please contact the Office of Development at 631-232-0015.

**United Cerebral Palsy Association of Greater Suffolk, Inc.** (UCP of Suffolk) For over 60 years, UCP of Suffolk has been committed to advancing the independence, productivity, and full citizenship of people with disabilities by creating *Life Without Limits*. UCP of Suffolk provides programs and services to almost 3,500 children and adults with a variety of disabilities annually. The Children's Center at UCP of Suffolk offers early intervention, preschool and school aged programs. The agency provides Adult Day services which include Day Treatment, Day Habilitation and Respite programs, and job training and placement services. In addition, UCP of Suffolk owns and operates 31 residences throughout Suffolk County, a twelve unit apartment complex, and a comprehensive, fully accessible Health Center.
